**PROFESSIONAL EXPERIENCE****Freelance Photographer and Graphic Designer, Coeur d' Alene, ID, 1993-Present**  
**Web/Graphic Design, Photographer, Maintenance Programmer, Computer Support**

I capture memories and stories through the eye of my lens for various clients, on location or in the studio. This ranges from musical artists, high school seniors, children, our furry friends, couples in love, and couples joining together in marriage. I also restore and retouch photographs along with producing and editing video.

**Freelance Graphic Designer, Coeur d' Alene, ID, 1993-Present**  
**Web/Graphic Design, Maintenance Programmer, Computer Support**

Create and design successful marketing and sales materials for various clients, including website design, search engine optimization, technical support, and maintenance of computer systems.

**Blackwater/The Backup Training Corporation, Coeur d' Alene, ID, 2007-2009**  
**Production, Web/Graphic Designer, Maintenance Programmer**

Successfully managed and coordinated web and graphic design projects from concept through completion. Effectively collaborated with the production team to make concepts become reality. Continually learned new process and applications to meet the client's needs. Created and designed themes and graphics for marketing and sales presentations, digital courses, corporate website design, and e-commerce website design.

**Lifetouch, Spokane Valley, WA, 2007-2007**  
**Photographer**

While working for this company, I drove to different schools in the WA, ID and OR area. Took photographs of students K-12 for various schools. Setup and maintained equipment which included calibration of the camera and computer system, lighting and other various equipment used.

**Transtector Systems, Hayden Lake, ID 2004-2006**  
**Photographer, Graphic/Web Designer, Maintenance Programmer**

Successfully translated materials from the marketing director and sales staff to create concrete promotional materials and sales collateral. Created and designed themes and graphics for marketing and sales presentations, product labels, manuals, course materials for training courses, product photography and corporate website designs for three separate companies.

**Creative Designs, Coeur d' Alene, ID, 1994-2006**  
**Web/Graphic Designer, Blueprinter, Photographer**

Successfully created marketing materials that built a consistent corporate image for the company. Maintained all computers, network and in charge of the reprographics department. Built and maintained the company's website.
