## PROFESSIONAL EXPERIENCE

### **Freelance Graphic Designer, Coeur d' Alene, ID, 1993-Present**

#### **Web/Graphic Design, Photographer, Maintenance Programmer, Computer Support**

Create and design successful marketing and sales materials for various clients, including website design, search engine optimization, product photography, technical support and maintenance of computer systems. Worked with many prestigious companies including, Alan Keyes Presidential Campaign, K&S Carpet Cleaning, Bertram Construction and DL White Construction.

### **Blackwater Worldwide, Coeur d' Alene, ID, 2007-2008**

#### **Production, Web/Graphic Designer, Maintenance Programmer**

Successfully managed and coordinated web and graphic design projects from concept through completion. Effectively collaborated with the rest of production to create, conceive designs and consistently meet deadlines and requirements. Continually would learn new process and application to meet the client's needs. Create design themes and graphics for marketing and sales presentations, digital courses, product photography, corporate website design, and e-commerce website design.

### **Creative Designs, Coeur d' Alene, ID, 1994-2006**

#### **Web/Graphic Designer, Blueprinter, Photographer**

Successfully created marketing materials that built a consistent corporate image for the company. Maintained all computers, network and was in charge of the reprographics department. Built and maintained the company's website.

### **Transtector Systems, Hayden Lake, ID 2005-2006**

#### **Photographer, Graphic/Web Designer, Maintenance Programmer**

Successfully translated materials from the marketing director and sales staff to create concrete promotional materials and sales collateral. Create design themes and graphics for marketing and sales presentations, product labels, manuals, course materials for training courses, product photography and corporate website designs for three separate companies.
